

Landscape Construction Crew Leader

We are looking for a Landscape Construction Crew Leader. The primary responsibility is to manage the crew and work alongside them on specific Artisan projects. The position will report to the Landscape Construction Superintendent and lead a landscape crew of up to 5 members to implement landscape projects throughout Orange County, CA. The Crew Leader will promote job worksite safety; provide excellent customer service, and exhibits pride and quality of workmanship.

Job Responsibilities

- Ensure that all jobs are completed according to plans, within budget and by established deadlines
- Manage equipment utilization on projects, equipment storage and maintenance
- Ensure that all construction services are delivered according to contract specifications & drawings, and are kept on schedule
- Ensure that entire Crew operates safely and efficiently at all times
- Prioritize daily work assignments and schedules, assign tasks, and oversee the crew

Personal Qualifications

- 3 years of crew leader experience, managing a team and projects
- 5 years' experience in landscape construction
- Ability to read blueprint and follow landscape design plans
- Familiarity with irrigation systems, hardscape and softscape including plants and turf products
- Ability to plan and problem solve
- Must have a Class C valid driver's license
- Ability to travel to jobsites
- Ability to follow through on assigned responsibilities
- Ability to communicate instructions and delegate to staff
- Bilingual English/Spanish preferred

Competitive Benefits include:

- Paid Vacation, Sick time and Holidays
- Health Insurance
