

Position Summary:

Artisan Outdoor has a position available for a Sales Associate/Landscape Designer in Irvine, CA.

This position requires an individual who can sell and at the same time be creative while ensuring that the projects meet customers' expectations. The Sales/Designer must be a dynamic individual, who can engage customers while looking to incorporate new ideas into designs, keeping up-to-date on new plants, and the latest technology in landscape planning. Artisan Outdoor serves the most discriminating clients who expect only the best. This starts with innovative, exciting, and practical designs that perform well in a residential environment. The ability to do freehand sketching or computer aided design from concept is a plus. This position demands excellent Sales Skills.

Responsibilities:

Sale and Design of outdoor living spaces, preparation of drawings, plant palettes and digital imagery. The successful candidate will also handle client presentations. Coordinating with our managers, field personnel and office team is also essential.

Basic Qualifications:

Customer focused, with a passion for Landscape Design & planning is vital! Good horticulture knowledge is important and experience in landscape architectural design under a licensed landscape architect is also a plus. Ability to do "take offs" from blue prints is a requirement. A pursuit of/or a degree in Landscape Architecture is a preferred.

The candidate must have a strong work ethic, effective oral and written communication skills and the ability to prioritize and multi-task. Proficiency with computer software programs including Dynascope or similar CAD software and MS Office Suite are needed.

Eligibility Requirements:

Interested candidates must submit a resume to rhenderson@artisan-outdoor.com, to be considered. We will respond quickly.

What We Offer:

Competitive salaries, opportunity for growth at a dynamic, focused and growing enterprise. Great team work and learning environment.
